

Fairlands Middle School

We Collaborate, Achieve & Belong

Hello Future Fairlands Pupil,

Thank you for choosing Fairlands Middle School as your new school for September. I am looking forward to meeting you.

My name is Mr Passingham and I am delighted to be your head of year as well as one of the Year 5 teachers.

I understand that you might feel a mix of emotions as you approach the end of Year 4 and you leave your first school. I hope there is a sense of excitement in joining us at Fairlands Middle School but I also understand you might be feeling nervous and worried and have lots of questions.

Next week, myself and Mrs Bennett will come to your school to visit you and learn about what makes you special. We will also be keen to hear your questions and to try and answer any questions that might be playing on your mind.

During our first visit, I will bring a transition booklet for you to fill in either at school or at home. There is even a page for your parents/carers to fill in, please make sure they do their homework too!

I look forward to meeting you soon,

Mr Passingham
