

Meet The Teacher!

About me:

Hello, my name is Mr Shillabeer and I have had the pleasure of working at Axbridge for 12 years, the last three of those as head. I have a twin sister (which seems to be a theme at Axbridge and no, she's not identical) as well as having an older brother who works in education, but in sunny Singapore. I am married and have two beautiful children, Eva and Austin, as well as a pet cat. I love sports, a spot of gardening, watching sporting events and creating stories for my children.

My Favourite Subjects:

I love all of them, but I'm passionate about reading and writing, as well as music. You'll always see me walking around the school site singing or humming a tune!

Hobbies:

I don't like cricket, I LOVE IT!

I try and go running when the time allows and I used to play a lot of squash too, but love all sports and enjoy watching them too. Reading books feels like a genuine treat and something I wish I could do more of. My DIY skills leave a lot to be desired, but I enjoy making and creating things too!

Fun facts:

I know how to make cricket bats, which makes me a 'Podshaver'

I have a weakness for biscuits and good coffee.

I once hiked up Mount Kinabalu in Borneo.

I appear in the 2012 Wisden Cricket Annual book.

I was a Junior Chess Champion of Somerset

What I love about Axbridge:

The amazing children, the incredible staff and the wonderful families who support us so compassionately.
