

# Meet The Teacher!

Photo or Self-Portrait

## About me:

My name is Mrs Emery. I live in Axbridge with my family and have worked at Axbridge School for 6 years. When I'm not at school, I enjoy reading, swimming and spending time in my garden, trying to grow vegetables.

## My Favourite Subjects:

I love all the subjects but I absolutely LOVE geography and history. I think finding out about people, places and how our world works is fascinating!

## Hobbies:

I really enjoy spending time outdoors. I love exploring the Mendip Hills and further afield, either walking or on my mountain bike. I also love camping and enjoy spending time with my family in our camper van.

## Fun facts:

When I was younger I wanted to join a circus so I taught myself how to ride a unicycle. It took me a while but I persevered and succeeded.

I love exploring new places and am trying to visit all the counties in the UK – I've still got a lot to go!

## Who works in my class:

We are really lucky to have Mrs Lange working with us. She is wonderful at supporting all the children and is a keen gardener.

Mr Shillabeer will also teach the class on a Friday along with Mr Sage who teaches French.
