Together We Inspire, Thrive & Excel

22nd October 2025

Dear Families,

Years 3 Trip to Cheddar Gorge Caves - 19th November 2025

We have arranged for Redwood Class to go to Cheddar Gorge Caves to take part in a Stone Age Experience Day on Wednesday 19th November 2025. This will form an important part of our inquiry into how we can understand life in the past.

Children will experience: a tour of the Cheddar caves, a Prehistory Stone Age workshop including a demonstration in the museum and a walk up Jacob's Ladder. We will take a bus from the school, leaving promptly at 9:15, arriving back at school before the end of the school day.

Your child will need to wear school uniform but can wear trainers as the floor of the caves can be damp. They will also need to bring a packed lunch and a water bottle and a warm coat for the day.

The total cost of this trip to £18 each which covers all the activities and the coach hire. Please pay and give consent via the school MCAS app.

Thank you for your support.

Kind regards,

Mrs J Emery
