Together We Inspire, Thrive & Excel

27<sup>th</sup> April 2026

Dear Families,

## Year 1 Science Trip to Noah's Ark Zoo Farm

On Monday 11<sup>th</sup> May we will be visiting Noah's Ark Zoo Farm, near Bristol. As part of the visit, we will have the opportunity to see many animals and take part in a workshop on animal classification. More information about this can be found by following this link - <https://www.noahsarkzoo.com/>

During the workshop, the children will meet two very different animals and learn how animals are organised and classified in the animal kingdom.

The cost of the trip, including entry fee, workshop and coach hire is **£20** (we have kept same price as last year). Please log onto your MCAS account for **payment** and **consent**. We kindly ask that payment is made by **Thursday 7<sup>th</sup> May**.

The children will complete the visit during the school day and will need to be picked up at the normal time. Should this change, we will notify parents via ClassDojo.

Children will need to bring in a packed lunch for this visit, as well as a water bottle. Children are to wear school uniform and normal school shoes. If the weather is particularly wet or sunny, we would also advise either sun-hats/cream or coats. Staff from KS1 will be accompanying the children.

Thank you for your continued support,

Mrs A Hall and Mrs H Farnie
