

September 2026

Dear Families,

Trip to Batts Combe Quarry, Cheddar – Thursday 15th October 2025

We have arranged to take all the Year 3 children to Batts Combe Quarry in Cheddar in connection with our science topic of 'Rocks'. The visit will take on Thursday 15th October in the morning. Please ensure your child is in school on time as the coach will be leaving just after 9am.

The cost of this trip (to cover transport) will be £5 and should be paid via your MCAS account.

Children must wear school uniform and bring a waterproof coat, wellington boots or old trainers. These can be brought into school in a separate bag for them to change into before the trip. Staff accompanying the children are Mrs Emery, Mrs Lange and Mrs Burnett. Following our trip we will welcome quarry staff into school to learn more about the quarrying process and explore what happens to the site when rock extraction has finished.

This will be an excellent opportunity to deepen the children's understanding around our science and geography inquiry this term and we hope your child will be able to take part.

Please log onto your MCAS account and tick the consent and payment confirmation boxes by Friday 9th October.

Kind regards,

Mrs J Emery
